H. Chris Schwemm, Treasurer – Present  
Theresa Prendergast, Secretary – Absent  
Charles Pfrommer, Commissioner – Present  
Theresa Moschetto, Alternate Commissioner - Present

Also in attendance: Engineer Vince Polistina, Attorney John Ridgway, Authority Clerk Elaine Super.

**Open Meeting to the Public**

There was no public in attendance. Motion Mr. Schwemm second Mr. Duffy to close the public portion of the meeting. All voted yes.

**Applications/Project Status/Updates/Discussion**

Mr. Polistina advised the board that the application for Ralph Clayton, Brian Brangan and Walt Gauta (Ocean Heights & English Creek Avenues project) is being delivered to the DEP tomorrow. It is expected that with the receipt of this application by the DEP, the area should be included into the Wastewater Management Plan.

Mrs. Prendergast arrived.

**Ratification of Administrative Action**

The sewer pump for the municipal building has failed and during the past several months the Authority has provided assistance with the station. Due to the age of the pumps, equipment and the corroded rails, it was decided that that in the best interest of the Township, the Authority took the necessary steps to immediately move forward with repairing the current system. Motion Mrs. Prendergast second Mr. Schwemm to ratify the action taken and authorize the contract with B&H Contracting in the amount of \$9,460.00. All vote yes. ~**Resolution #74A-2013**

**Resolution Memorialization**

None

**Engineer Report** – The Engineer’s Report is attached and made a part of these minutes.

The Authority continues to wait on a response from FEMA in regards to the alternate project submitted which would eliminate the Miami station. Mr. Polistina expressed his concern for the temporary arrangement as winter approaches. Mr. Polistina was directed to receive bids ahead of the FEMA response so that the project is ready to move forward once a decision has been made.

All work has been completed for with the Bargaintown Cleanout project.

**Ratification of Budget Adoption – 5:45pm**

~ **Resolution #75 – 2013** [2013 – 2014 Budget Approval]

The advertisement for the Budget Adoption last month was not advertised in The Press. The notice was provided to, received and processed by The Press with a proof being completed. It was never advertised. Motion Mr. Schwemm second Mr. Pfrommer ratify the action taken at the August meeting to adopt the budget. A roll call vote resulted in all members present at the August meeting voting in favor of the budget (Davis, Schwemm, Pfrommer, Moschetto).

**Old Business**

None

**Treasurer’s Report**

~ **Resolution #76-2013** – Motion Mr. Schwemm second Mrs. Moschetto to approve a payment in the amount of \$117,841.57 out of the Infrastructure Account. All voted yes.

~ **Resolution #77-2013** – Motion Mrs. Prendergast second Mr. Pfrommer to approve all vouchers presented for payment out of the Operating Account (\$318,655.94). All voted yes.

~ **Resolution #78-2013** – Motion Mr. Schwemm second Mrs. Prendergast to approve all vouchers presented for payment out of the Developer Account (\$2,060.50). All voted yes.

~ **Resolution #79-2013** – Motion Mr. Schwemm second Mr. Duffy to approve the Construction Fund voucher (\$1,810.50 ). All voted yes.

Mr. Schwemm provided a brief summary of the prior fiscal year revenues and expenses. Treatment charges make up approximately 40% of the Operating Costs. Repairs to the system, which was \$220,000 over budget make up 20% of the Operating Costs. Actual revenue was within \$13,000 of budgeted revenue and the debt service was just as budgeted. Capital Outlay was off by only \$3,000 of what was originally budgeted.

The Treasurer’s report, provided by Mr. Schwemm, was accepted by the Authority.

**Clerk's Report**

~ **Resolution #80-2013** – Motion Mr. Schwemm second Mr. Duffy to approve the August 2013 adjustments. All voted yes.

Motion Mr. Schwemm second Mr. Pfrommer to approve the August 2013 open session minutes. All voted yes except Mr. Duffy and Mrs. Prendergast who abstained. Motion Mr. Schwemm second Mr. Pfrommer to approve the August 2013 closed session minutes. All voted yes except for Mr. Duffy and Mrs. Prendergast who abstained.

Record disposal requests will be submitted to the state tomorrow.

An amendment is needed to the Rules & Regulations concerning the timing of posting penalty to delinquent accounts. A formal review will be discussed further at the November meeting.

An amendment is needed to the Personnel Manual to include provisions for times when it is acceptable for the Authority office staff to work from outside of the office. A formal review will be discussed further at the November meeting.

~ **Resolution #81-2013 - Closed Session** – 6:15 PM - Motion Mrs. Prendergast second Mr. Schwemm to enter into closed discussion to discuss potential litigation. The minutes of the closed session will be released once all issues discussed have been resolved. All voted yes.

6:20PM – Return to Open Session

No action was taken during the closed session

Motion Mr. Schwemm second Mr. Duffy to adjourn the meeting at 6:21 PM. All voted yes.

**Engineer's Report**  
**Egg Harbor Township MUA**

**Engineering Projects**

**1. Emergency Maintenance Contract**

Kline Construction took over as the Authority emergency contractor as of September 1, 2013. They have yet to complete any work for the Authority but we have given them a small list of items for various projects. They are scheduled to remove several of the bollards installed at the Brenta pump station sometime this week.

Weco Construction have not completed any additional items and only have a single invoice outstanding. Their final billing is expected to be received and completed at next month's meeting.

**2. ACUA Contract Administration**

The maintenance logs from the ACUA have been normal during the past month. We are awaiting the delivery of the replacement pump for the Lyons Court station, and expect it to be sometime this week. A single pump was removed from the Brenta and Delancy pump stations within the last week and sent out for repairs, due to a seal failure and damaged cord respectively.

A new impeller and wear rings were ordered for the Little Mill station at a cost of \$4,793.20.

**3. Wet Well Cleaning Contract Administration**

Caprioni Family Septic completed various items during the last month. They replaced worn cables on two debris baskets and replaced a support on another. Caprioni provided bypass services during the overflow last month at the Ocean Heights station.

Caprioni also provided preventative jetting services at various locations along with the normal monthly basket and wet well cleaning.

We have recommended a payment in the amount of \$11,677.94 from the Operating Account for the work completed in August.

#### 4. Spills

The Authority experienced a single spill incident over the course of the last month. It occurred along West Jersey Avenue and resulted from a transducer failure at the Mountain Lane Station. The back-up system was not initiated due to a large amount of rags and debris that had accumulated on the surface. Caproni Family Septic was dispatched to remove all residual wastewater along the roadway edges. The spill was estimated to be under 500 gallons. The Authority Operator will be increasing the amount of cleanings to address the amount of rags and debris entering the station.

#### 5. Miami Pump Station Elimination - Gravity Main Extension

Within the past month our office has received the Treatment Works Approval for the construction of the proposed 450 linear foot gravity main extension. We also received correspondence from CAFRA stating that a CAFRA permit would not be required for the proposed improvements.

We have been in correspondence with FEMA and have forwarded additional information to address questions for the alternate project to eliminate the existing station.

#### 6. West Atlantic City Rehabilitation Phase III

We are hopeful to have the final restoration completed during the Fall.

#### 7. Bargaintown (Brookside- Joanne) Cleanout Locations - Re-Bid

The contractor has begun work on the repair and resetting of the cleanouts within the project limits. We estimate that approximately 90% of the work has been completed as of the current billing.

We have recommended a payment in the amount of \$51,487.23 for the work completed.

#### 8. Storybook Pump Station Discharge Pipe Repairs

The contractor has completed all of the work involved with replacing the discharge piping and guiderail brackets. They did find that the base elbow for one of the pumps was not attached to the well floor and have submitted a price to complete that work.

We have recommended a payment in the amount of \$7,990.00 for the work completed.

#### 10. FAA Pump Station Upgrades

Our office is scheduled to meet with the FAA environmental staff this Thursday to review the results of the soil sampling we had completed and determine what requirements will be necessary for the construction of the replacement wet well.

11. West Avenue Sewer Rehabilitation

The contractor has completed the replacement of the existing eight-inch sanitary main with the eighteen-inch pipe. All work was done overnight to decrease the impact to traffic.

We have recommended a payment in the amount of \$117,841.57 for the work completed.

12. Brookside Odor Control System

With the assistance of the Authority Operator a representative from Siemens installed five odor detection devices, with one at the Brookside station and the remaining four at upstream locations. We are hopeful that the placement of the multiple units will help determine the portion of the system that is the main contributor to the odor reported at the Brookside station. Results are expected to be provided within three weeks.
