EHT Lacrosse- Kristy Gargan indicated that Lacrosse will run a free clinic for approximately 50 players. The clinic would run on Monday and Wednesday from 6-7 pm. commencing in September. Kristy asked whether a field was available. Commissioner Rispoli suggested that they use the Field Hockey field at Childs-Kirk Park. It is smaller than a regulation field, but for the purpose of generating interest to younger players, the field should be appropriate. Lacrosse was given permission, to use this field. Lacrosse was reminded that there are no lights on this field.

President Gargan stated that the Ground Ball program is insured via US LAX. EHT Lacrosse pays \$650 for their clinic and Ground Ball instructional league. She asked whether the Township could place Lacrosse under their insurance umbrella when the participants are not participating in US LAX games. Recreation Director Lincoln indicated that he would talk to Township Administrator Miller.
