Hearings

Limousine License Denial: Eman Daoud

Sergeant Hughes reviewed Ms. Daoud's motor vehicle driving history and the Police Department's recommendation for denial of limousine driver license.

Solicitor Friedman swore in Eman Daoud. Atef Bikhit said he would speak on behalf of Ms. Daoud for this hearing.

Mr. Bikhit raised questions concerning prior years' applications and Police Department recommendations. Solicitor Friedman advised that this hearing pertains to the 2013 application only.

Mr. Bikhit said the Township ordinance pertaining to licensing of taxicabs and limousines is flawed. Mayor McCullough reminded Mr. Bikhit that the purpose of the hearing is to discuss why Township Committee should issue Ms. Daoud a license. Committeeman Carman stated he met with Mr. Bikhit a few weeks ago regarding the Township ordinance and his conspiracy theories are unfounded.

Mr. Bikhit stated he did not believe the violations reflected on Ms. Daoud's drivers abstract were moving violations. He explained Ms. Daoud needs to work for the financial well-being of their family. Mr. Bikhit stated Township staff treats him unfairly.

Administrator Miller asked Mr. Bikhit who treats him unfairly to which Mr. Bikhit did not respond.

Solicitor Friedman stated Township Committee will make a determination in this matter and Ms. Daoud will be notified of their decision by the Township Clerk.

Towing License denial: Tri-State Towing (5:15 p.m.)

Attorney Mark Stein introduced himself as council for Mr. Guenther, owner of Tri-State Towing, LLC in this matter. Attorney Stein explained Mr. Guenther recently purchased Tri-State Towing, LLC which was previously licensed as a towing contractor by Egg Harbor Township. His client received notification from the Police Department that he could not have 2 towing contractor licenses. Mr. Stein commented that Mr. Guenther has made a substantial investment by purchasing Tri-State Towing, LLC and that business is separate from Guenther's Mobil which is also licensed as a towing contractor. Attorney Stein felt both Tri-State Towing, LLC and Guenther's Mobil meet the Township's criteria for a towing contractor license and that each should be granted a license.

Assistant Solicitor Marc Nehmad referred to Township Code Chapter 190-3B and said that while Tri-State Towing, LLC and Guenther's Mobil are separate entities, Mr. Guenther as owner of both businesses contradicts our ordinance.

Mayor McCullough asked if Mrs. Guenther owned Tri-State Towing, LLC could she potentially qualify. Attorney Nehmad replied, possibly.

Police Chief Morris said the issue is about fairness and his interpretation of the ordinance is to prevent a monopoly. He feels that 2 businesses owned by the same individual creates a conflict.

There was a general discussion regarding the provisions of Chapter 190 after which, Mayor McCullough advised the Governing Body will make a determination in this matter and Mr. Guenther will be notified by the Township Clerk of their decision.

New Business

Chapter 132 "Hunting, Firearms & Trapping" revisions

Township Committee discussed whether to expand the time period for deer driving under Chapter 132-5.B, Deer Driving unlawful beyond the current exception for the 6 day firearm season as determined by the State of New Jersey. Committeeman Carman stated he had been approached residents who want the ability to drive deer for a few days in January as permitted by the State of New Jersey. Township Committee did not have any objection to expanding deer driving, but requested the Police Department to publically advertise deer driving periods. An ordinance will be introduced at the next Township Committee meeting.

Chapter 107 "Explosives" revisions

Committeeman Carman referred to Chapter 107-4, Explosives, Permits and suggested the reference to munitions and gunpowder be deleted. Mr. Carman stated that the current language is too restrictive. Township Committee discussed briefly with Police Chief Morris and agreed to revise ordinance.

Amendment to Temporary Budget

Administrator Miller recommended an amendment to increase the Police O&E budget by \$90,000 for the purchase of new police vehicles. Police Chief Morris explained that many of the cars in the current fleet mileage in excess of 100,000. Township Committee had no objections and will act on an add-on resolution.

Assembly Bill No. 1196

Administrator Miller referred to Resolution 86, opposing A-1196 and discussed the potential affect on municipalities. This bill would not put a time restriction on the filing of workers comp claims for first responders. The NJLOM opposes this bill and have proffered a sample resolution which would require first responders to demonstrate a connection between the injury/illness and their employment. Township Committee said they need more time to research this issue and would not act on Resolution 86 this evening.

Chapter 94 amendments

Administrator Miller advised Ordinance 4 will be forwarded to the Planning Board for review and recommendation following introduction. The Township Engineer will be able to provide additional information prior to adoption.

Pinelands COAH ordinance

Administrator Miller said this matter will be held for discussion in closed session this evening.

Sale of Block 5953, Lot 6

Administrator Miller circulated a map to Township Committee outlining the property referenced in Resolution 85, authorizing the public sale of block 5953, lot 6. Mr. Miller explained property in this area was sold a few years ago to homeowners in order to allow them to expand their property and allow for construction of a accessory structures. A sale of property would also generate additional tax revenue. Township Committee had no objection.

Other Business (not listed on the Agenda)

Ordinance 6

Administrator Miller advised the effective date of the tax abatement for the Atlantic City Jitneyemen’s Aid was revised to January 1, 2013.

Mayor McCullough announced the Closed Session portion of the meeting will be held after Reports.

General Public Discussion

Bill Danz, Township Fire Chief commented the past weekend drill held at the former Value City store location was well attended and provided great learning opportunities for our volunteer firemen. Chief Danz said he has requested permission to conduct similar drills as additional portions of the mall are vacated. Mayor McCullough thanked Chief Danz for coordinating training which is invaluable to our community.

Committeeman Carman complimented our volunteers for their dedication and thanked the firemen for their efforts in completing a recent water training exercise during extreme cold weather. Deputy Mayor Hodson said he was impressed to see other entities such as AtlantiCare participating in the weekend’s drill at the Shore Mall.

Chief Danz advised he has concerns over potential fire issues at Seaview Harbor and the lack of access to fresh water. Chief Danz said he has requested permission from the Boro of Longport to run a water line

under the bridge connecting to Seaview Harbor for emergency use. Mayor McCullough said Seaview Harbor had made a request to connect to Longport's public water supply last year and was denied. However, he understands the Longport Fire Chief is supportive of this request and is hopeful a resolution can be reached.

It should be noted that the Pinelands Commission will need to adopt regulations to implement the requirements contained in N.J.S.A. 52:27D-329.9...

See 2008 Housing Element and Fair Share Plan at Page 15; and

WHEREAS, since neither the Pinelands Commission nor COAH adopted regulations to implement the 20 percent set-aside requirement set forth in N.J.S.A. 52:27D-329.9(18)(a), the Township decided to draft its own Ordinance to provide a 20% affordable housing set-aside in the Township's Pinelands Regional Growth Zone; and

WHEREAS, the Township sent the Ordinance to the Pinelands Commission for an informal review, made all revisions to the Ordinance required by Pinelands Commission staff and introduced the Ordinance as Ordinance 37-2011 at the November 30, 2011 Township Committee meeting; and

WHEREAS, on December 21, 2011, the Township adopted Ordinance 37-2011, which amended Chapter 225 (Zoning) of the Township's Code, after a duly noticed public hearing, and then sent the Ordinance to the Pinelands for certification; and

WHEREAS, after conditionally approving Ordinance 37-2011, the Pinelands Commission required the Township to adopt a supplemental ordinance to make certain changes to the first ordinance; and

WHEREAS, the Township drafted a supplemental ordinance to make the required changes, and introduced the ordinance as Ordinance 22-2012 on April 25, 2012, adopted Ordinance 22-2012 on June 20, 2012, and sent Ordinance 22-2012 to the Pinelands Commission for final certification a few days thereafter; and

WHEREAS, on July 20, 2012, the Pinelands Commission issued a letter to Egg Harbor Township stating that since the Township made the amendments asked for by the Pinelands Commission, "Ordinances 37-2011 and 22-2012 require no further Commission review and may take effect as otherwise provided by law"; and

WHEREAS, on May 17, 2012, the BLSJ filed a lawsuit against the Township seeking the Court to invalidate Ordinance 37-2011 in its entirety, but did not name the Pinelands Commission as a Defendant, and the Complaint did not even mention Ordinance 22-2012; and

WHEREAS, after the Township filed an Answer on August 6, 2012, the BLSJ filed a motion for Summary Judgment on September 25, 2012 to declare Ordinance 37-2011 null and void, and to enjoin the Township from implementing the Ordinance; and

WHEREAS, on October 9, 2012, the Township filed a Third Party Complaint against the Pinelands Commission to bring them into the case to help defend the Ordinance; and

WHEREAS, on November 13, 2012, the BLSJ filed a motion to sever the Township's Third Party Complaint out of the lawsuit; and

WHEREAS, Judge Isman held a Case Management Conference on December 4, 2012 in the BLSJ case, and stated that he would give the parties time to attempt to work out a settlement before any of the motions were heard; and

WHEREAS, on February 1, 2013, before any settlement talks could take place, the Pinelands Commission filed a motion to transfer the Second Count of the Complaint and the entire Third Party Complaint to the Appellate Division, and expressed the position that they would be willing to work with the parties on crafting a revised ordinance; and

WHEREAS, rather than expending large amounts of public funds on legal fees and costs litigating the matter in both the Superior Court and the Appellate Division, over an extended period of time, the Township has decided to rescind both ordinances without prejudice and to readopt an ordinance which satisfies the requirements of the applicable law, regulations, and concerns of all interested parties; and

WHEREAS, the Pinelands Commission has required property owners under their interpretation of Ordinances Numbered 37 of 2011 and 22 of 2012 to purchase Pinelands Development Credits (PDC's) for all subdivided lands within the Pinelands Regional Growth Zone of the Township of Egg Harbor, even if they do not create any affordable housing units; and

WHEREAS, such an interpretation of Ordinances numbered 37 of 2011 and 22 of 2012 is in direct contradiction of the express purpose and intent as stated in the ordinances as adopted by the Township Committee; and

WHEREAS, the Township Committee has clearly stated that the specific purpose of these ordinances is "...to require residential development in the Pinelands portion of the Township to provide affordable housing as required in P.L. 2008, Chapter 146", not to provide mandatory PDCs while no affordable housing is being provided.

NOW, THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Egg Harbor, County of Atlantic and State of New Jersey as follows:

SECTION 1. Ordinance Number 37 of 2011 adopted December 21, 2011 is hereby rescinded in its entirety effective immediately.
