Township Clerk Tedesco read the Opening Statement Pursuant to the Open Public Meetings Act

Roll Call:	Joe Cafero	present
	John Carman, Jr.	present
	Paul Hodson	present
	Laura Pfrommer	present
	James J. McCullough	present

Also in attendance were Township Administrator Miller and Township Engineer Mott

Meeting with Township Engineer Mott

Township Engineer Mott explained the area to be covered under the Community Development Block Grant –Phases 1 and 2 encompasses Woodrow, Elderberry, Douglas and Cypress Avenues off of Washington Avenue. Mr. Mott anticipates the Township will receive approximately \$100,000 in funding for improvements to these streets.

Old Business

Deputy Mayor Hodson inquired about the status of Betsy Scull Road which Engineer Mott advised is complete.

New Business

Block 2007, Lot 1

Administrator Miller explained Resolution 104 listed for consideration this evening authorizes Block 2007, Lot 1 to be dedicated as a public right of way for Lincoln Avenue. Dedication as a public right-of-way will allow South Jersey Gas Company access to make utility improvements on this property and eliminate the need for the Township to grant an easement.

Building height in flood zone (zoning height limit)

Administrator Miller said that following receipt of FEMA Advisory Maps, Construction Official Naticchione is recommending the definition of building height be amended to require the vertical distance from grade to the top of the highest roof beams of a flat roof or the mean level of the highest gable or slope of a hip roof. Property located in any FEMA designated flood zone according to the current FEMA Advisory Flood Elevation maps will have its height measured from the Base Flood Elevation plus one foot (free board) for their respective zone. Revision to the current standards would eliminate the need for many residents to file for a Use Variance for height requirements.

Other Business (not listed on the Agenda)

Mayor McCullough questioned the status of street light outage reports which Administrator Miller stated have been forwarded to the Police Department.

Mayor McCullough requested the March 27, 2013 Township Committee Meeting be rescheduled to begin at 4:00 p.m. due to a conflict with a prior engagement. A resolution will be presented later in the evening.

Mayor McCullough stated Donna Burns is having difficulty moving forward with obtaining a lease with PAL for the Dog Park. Township Solicitor Friedman reported he provided a proposed lease between PAL and the Dog Park to the PAL Director for review and recommendation. The lease was returned by a representative of PAL with several recommendations including collection of rent from the Dog Park. Solicitor Friedman does not feel that is acceptable. Secondly, if PAL enters into a sub-lease, that would need to be approved by the Township and would also require the Township's lease with PAL to be amended. Administrator Miller suggested Township owned property in the vicinity of Broadway and West Jersey Avenues as a possible alternate location. Administrator Miller was instructed to arrange a meeting between the Police Department representative and the PAL organization in an attempt to resolve issues.

Administrator Miller reviewed add-on Ordinance 9 to amend Chapter 107, Explosives which will revise definitions and permits

requirements to address concerns of individuals who pack their own gun powder during hunting season. Ordinance 10 amends Chapter 225, Zoning to add a new subsection 225.49.1 entitled Affordable Housing Regional Growth Zone 12. Mr. Miller also explained that Ordinance 7, amending Ordinance 16-2012 revises the closing dated from December 31, 2012 to December 31, 2013. Administrator Miller advised there is an additional resolution for consideration to extend the 2012 Rotary Towing Licenses to March 31, 2013; Township Committee had no objection and will act on these matters later in the meeting.

Township Clerk Tedesco noted Resolution 102, awarding a professional service contract to Dr. Newkirk has been revised to Dr. Lauren Pagliughi, DMV. Dr. Newkirk was not available to provide his services at our annual Rabies Clinic as originally planned.

Administrator Miller announced a resolution will be presented at the next Township Committee Meeting to authorize the sale of a Plenary Retail Consumption License with Hotel/Motel Exception. The license will be sold by the public bidding option.
