

**Egg Harbor Township Committee Meeting  
Municipal Building, Bargaintown Road  
Egg Harbor Township NJ 08234  
Wednesday, March 4, 2015 – 5:00 p.m.  
Minutes**

Mayor McCullough called the meeting to Order at 5:00 p.m.

Township Clerk Tedesco read the Opening Statement Pursuant to the Open Public Meetings Act.

<b>Roll Call:</b>	Joe Cafero	present
	Frank Finnerty	present
	Paul Hodson	present
	Laura Pfrommer	present
	James J. McCullough	present

Also in attendance were Township Administrator Miller, Township Solicitor Friedman, Township Engineer Representative Watkins and Township Clerk Tedesco.

Township Clerk Tedesco read the Video Broadcast/Television Statement.

Mayor McCullough led the Pledge of Allegiance.

**Meeting with Township Engineer**

Engineer Representative Watkins advised the results of the asbestos inspection of the recently acquired West Atlantic City properties has been completed. All structures have some amount of asbestos present. The Township Engineer's Office will work with the Atlantic County Improvement Authority to develop a plan to remove the asbestos which must be done prior to any demolition work.

Mayor McCullough directed Township Engineer Watkins to contact the county about the poor condition of the bridge on Ridge Avenue.

**New Business reported by Administrator Miller**

**Prescription Plan**

Benecard increased their rates by 43 percent for renewal of the township prescription plan. This increase would result in an additional \$20,000 cost to the township per month. A better rate was secured from State Health Benefits with the same level of coverage. Resolution 136 authorizes renewal of the prescription benefit program with Benecard Services, Inc. through April 30, 2015 as the township needs to provide them with 60 day notice to cancel. Resolution 137 authorizes participation in the New Jersey State Health Benefits Program Act of the State of New Jersey for local prescription drug coverage.

**Municipal Court 3rd Party Collection Contract**

The township received a 30-day notice to quit after the current contract was only in effect for 1 year. The vendor advised the cost to maintain the required performance bond outweighed the amount of their compensation. The state confirmed the 30-day language in the original contract which allowed either party to

cancel without cause is not mandatory. This contract will be bid again in April and award is anticipated to be listed for consideration at the May 6, 2015, Township Committee meeting.

**Open Space Referendum**

Mayor McCullough stated he wants the governing body to have the ability to not collect the two cent Open Space Tax in a bad budget or bad tax year. An ordinance would be required in order for a question to be placed on the November ballot. Administrator Miller cautioned that once the rate is lowered, tax payers may perceive that when the rate increases back to two cents it would be an increase. Township Committee agreed to discuss this matter further.

**2015 Budget**

The Township Committee advised they need more time to review Administrator Miller’s municipal budget recommendations. The budget is tentatively scheduled to be introduced on March 18, 2015 and adopted on April 22, 2015.

**Other Business (not listed on the Agenda)**

Administrator Miller reviewed the Supplemental Agenda which includes Resolution 147 which provides for an emergency temporary budget for salt supplies due to the recent snow and ice accumulation. Also Resolution 146 granting FMLA leave to Kathy Fiedor and Resolution 149 appointing various individuals to the serve the Department of Parks and Recreation.

Mayor McCullough presented the key to the Bargaintown School, presently known as the Eagle Academy to School Board President James Galvin. Mayor McCullough explained the Township Committee felt that it was appropriate for the township to deed this property back to the Board of Education. School Board President Galvin thanked the Township Committee and advised they have recently installed new windows, HVAC system and electrical wiring totaling \$250,000. School Superintendent McCartney also expressed his thanks to the Township Committee for this generous donation.

## Reports

### *Township Committee:*

Committeeman Finnerty had nothing to report.

Committeeman Cafero recognized the Nature Reserve Committee for their efforts and noted the park has turned out to be a wonderful project. He also wished the Board of Education good luck on the Eagle Academy property donation.

Deputy Mayor Hodson said he was happy to see the public enjoying the Nature Reserve. Mr. Hodson cautioned the public to be aware of icy patches and pot holes on the roadways due to the recent snow and ice events. The Deputy Mayor encouraged the public to report pot holes to the Department of Public Works or via the township's website.

Committeewoman Pfrommer announced the annual Rabies Clinic will be held on March 14, 2015 at the Public Works garage located on Mill Road. Mrs. Pfrommer expressed her thanks to the Public Works employees for working 24/7 to clear the municipal roadways during the numerous winter snow events.

Mayor McCullough recognized the fire department for the recent ice rescue drill they coordinated at Lake Lenape. The Mayor expressed concern over the number of jobs lost as a result of the recent casino closures. The Mayor stated he contacted Congressman LoBiondo about a possible extension to unemployment benefits for those affected by the closures. Mayor McCullough said he also has written to President Obama comparing this area to that of Detroit, Pittsburgh and West Virginia and requesting his consideration to assist with an extension of unemployment benefits to this area. Lastly, the Mayor said it is his opinion that the Atlantic County Board of Taxation should utilize foreclosures, short sales and sheriff's sales as compatibles. The Mayor said Judy Campbell, representing the State Division of Taxation recently contacted him in reply to his letter asking if it would be permissible to utilize foreclosures, short sales and sheriff's sales as comparables. Ms. Campbell advised there is not any policy or statute that would forbid this request. The Mayor stated this will be a challenge for the County Board of Taxation and our local Assessor as tax rates increase when ratables decrease. However, he feels tax payers who wish to challenge their assessment should be able to utilize these options.
