Trailers parking on public streets

In response to citizen complaints concerning parking issues, Administrator Miller circulated proposed amendments to Chapter 213, Vehicles and Traffic. Amendments include restrictions on the size and types of vehicles which would be permitted to park on public streets and permit requirements for dumpsters located on public streets. Mr. Miller advised Committeeman Carman has suggested limiting residents to parking a maximum of 2 commercial vehicles on a public street or private property. Township Committee will review the proposed amendments and forward any comments or concerns to Administrator Miller. Fire Chief Danz commented there have been issues with snow removal and driving large emergency vehicles down roadways where parking is permitted on both sides of a street. An ordinance to amend Chapter 213 is expected to be introduced at the March 26, 2014 Township Committee meeting.

New Business

2014 Municipal Budget

Administrator Miller stated the municipal budget is listed for introduction tonight. Resolution 153 authorizing self-examination of the 2014 municipal budget will need to be removed. A subsequent resolution will be listed on the April 9th agenda just prior to adoption.

Salary Ordinance Amendment – Crime/Crash Analyst position

Township Administrator Miller advised sufficient funds exist for the Crime Crash Analyst position. The agenda was revised to reflect the salary range for this position effective March 1, 2014, not April 9, 2014 as originally stated.

Emergency Contract Authorization Procedure

Mr. Miller explained the township is required to establish a procedure establishing a chain of command for emergency purchases. Resolution 156 establishes emergency contract authorization procedures as well as, a chain of command.

Other Business (not listed on the Agenda)

Township Administrator Miller reviewed the supplemental agenda by title which includes Resolution 166, awarding contract for basin mowing to Perfect Touch Landscape, Inc., Resolution 167 authorizing the award of a non-fair and open contract for lawn mowing of municipal properties to Perfect Touch Landscape, Inc. and Resolution 168, approving participating with the State of New Jersey in a Safe and Secure Communities Program administered by the Division of Criminal Justice, Department of Law and Public Safety. Mr. Miller also reported he received a request for assignment of 2 liens, a condo located in Country Place and property on Pineview Avenue. Township Committee will be provided with a copy of the request and a resolution will be listed on the March 26, 2014 Township Committee Meeting agenda. Mayor McCullough lead the Pledge of Allegiance

Mayor McCullough introduced Assemblyman Chris Brown who addressed the governing body regarding a proposed bill to amend the Open Public Records Act. Assemblyman Brown said state officials are not subject to OPRA and should be held to the same standards as local government entities. Last year, he and Assemblyman Amodeo presented a bill to amend OPRA which died. Assemblyman Brown said he has re-introduced the bill noting the importance of creating transparency in government at all levels. Mayor McCullough agreed with the Assemblyman saying he could not understand how he was exempt from OPRA as senator, but not as mayor. Mayor McCullough commented Assemblyman Brown has also been involved with the issue of Franchise Receipts Taxes. The Mayors Convention and New Jersey League of Municipalities will both be addressing the State of New Jersey keeping an unfair portion of Franchise Receipt taxes and the burden it places on the taxpayers. Solicitor Friedman stated he supports the proposed changes to OPRA and noted another issue for municipalities is that there is not a limit to exhaustion of administrative remedies. Mayor McCullough said fee-shifting is unfair and settlements are often made from fear of fee-shifting. Mayor McCullough thanked Assemblyman Brown for attending tonight’s meeting.

He said the firefighters would also be available to aid with the demolition of any structures. Township Committee had no objections. Chief Danz noted Assemblyman Brown and the Atlantic County Board of Freeholders have been helpful in assisting him in his efforts to obtain state aid for the fire department. Lastly, Chief Danz complained about the placement of barricades on the Black Horse Pike hindering the access to 3 southbound intersections. Mayor McCullough directed Administrator Miller to send a letter to the New Jersey

Reports

Township Committee:

Committeewoman Pfrommer announced a Free Rabies Clinic will be held this Saturday, March 15, 2014 from 9 a.m. until 12 noon at the Public Works garage on Mill Road. The annual Spring Clean- Up Day will be held on May 3rd and interested individuals should contact the Department of Public Works for details and to participate.

Deputy Mayor Hodson advised the township will be receiving free tree seedlings from the New Jersey Tree Recovery Campaign. Seedlings will be available to residents on April 5, 2014 from 11 a.m. until 12 noon at the Nature Reserve. Extra seedlings will be given to various local organizations to plant throughout the township. Mr. Hodson announced the Fire and Mill Road road improvements have begun and will take approximately 1 year to complete. Motorists should anticipate various road closures during this time. Administrator Miller said the intersection will never be completely closed to traffic. The improvements are estimated to take 12 months to complete with another 6 months of related activity.

Committeeman Cafero complimented Assemblyman Brown for efforts with OPRA reforms and fee-shifting.

Mayor McCullough said fee shifting is an important issue which needs to be addressed. The public can contact Administration to obtain additional information on this topic and its impact on tax dollars.

Administrator:

Administrator Miller reported the municipal budget was introduced tonight and the public hearing and adoption are scheduled for April 9, 2014. Mr. Miller noted that if the governor and legislators honored the current laws, Egg Harbor Township would realize a 70 cent tax reduction. Administrator Miller announced the township obtained a bond anticipation note this week with a favorable rate of .85 of a percent. Next year's budget will include the final payment for the last revaluation. He noted \$100,000 remains to defend tax appeals.

Mayor McCullough said our revaluation was done at an appropriate time. He commented Senator Sweeny initiated a pilot program to allow county government to do assessing for all its municipalities. Mayor McCullough said he feels it is more cost effective for the county to handle assessing for all its municipalities versus each municipality having their own tax assessor.

EMERGENCY PROCUREMENT REPORT

Public Exigencies Pursuant To N.J.S.A. 19:44A-20.12

Procedure

An Emergency Procurement Report is required when municipalities, counties, and their instrumentalities and agencies¹ (public agency) experience an emergency that warrants the immediate delivery of goods or services and in doing so, are unable to comply with the “Pay-to-Play” provisions of N.J.S.A. 19:44A-20.4 et seq. N.J.S.A. 19:44A-20.12 provides in pertinent part that:

“Nothing contained in this act shall be construed as prohibiting the awarding of a contract when the public exigency requires the immediate delivery of goods or performance of emergency services as determined by the State Treasurer.”

The State Treasurer² has determined that approval under this provision is automatically granted when:

1. A public agency finds the public’s health, safety or welfare requires the immediate delivery of goods or the performance of services.
2. The award of any such contracts is made pursuant to the provisions of N.J.S.A. 40A:11-6 and N.J.A.C. 5:34-6.1 et seq., or for county colleges, N.J.S.A. 18A:64A-25.6.
3. Contracts are issued in response to a formal declaration of an emergency by the Governor.

Emergency Report Required

The Treasurer also requires that when a contracting agency uses these provisions, the agency’s purchasing agent or other appropriate personnel shall file with Director of the Division of Local Government Services an “Emergency Procurement Report,” within 30 days of the date the contract was issued. Contracts relating to a formal declaration of an emergency by the Governor are exempt from the reporting provision.

Certain information is necessary to address situations in which an exigency/emergency affecting the public’s health, safety or welfare requires the immediate delivery of goods or the performance of services.

¹ This language has been interpreted by the State to include among others, local authorities, fire districts, and county colleges.
