Meeting with Township Engineer Mott

- In Engineer Mott’s absence, Administrator Miller reported on the vacation of Lakewood Avenue between Reega Avenue and Eisenhower Avenue.

Old Business

Purchase of Block 1927, Lot 3. Administrator Miller spoke about the Township purchasing this property for the sum of \$1,053 for the purpose of facilitating COAH Affordable Housing. Once the owner of the property received a revaluation of the property, the value increased to \$1,300; and as a result, the owner asked that the purchase price be adjusted to \$1,300. Ordinance 11 is on the agenda this evening to amend the purchase price as requested.

New Business

- Building height ordinance amendment. Administrator Miller advised the Committee that in accordance with the FEMA advisory flood elevation maps which affects areas in the Township, Ordinance 16 is on the agenda this evening to increase the vertical distance from grade to the top of the highest roof beams of a flat roof or the mean level of the highest gable or slope of a hip roof for properties located in any FEMA designated flood zone.
- Mercantile licensing fee schedule (Chapter 142). Administrator Miller and the Township Committee discussed the increase of the mercantile license fees which have not been increased in over 20 years. The Committee expressed that the Economic Development Commission had concerns regarding the doubling of the fees and Administrator Miller indicated he met with them and they expressed no concerns. Administrator Miller indicated that the fees were looked at in comparison to the fees charged by surrounding municipalities and they are not out of line. Administrator Miller will discuss the fees with the Economic Development Commission once more before the scheduled adoption of the ordinance.
- 2013 Municipal Budget. Mayor McCullough advised Administrator Miller that the Committee has begun their review process and will be meeting with him shortly.

Other Business (not listed on the Agenda)

Administrator Miller advised that there are several items to be discussed that were not on the agenda.

- Additional resolutions (confirming land sale; authorizing coin drop; FMLA leave for employee J Constantine and the execution of Municipal Alliance Agreement).
- Additional items to be added to the bill list: two bills for Arawak Paving for final payments for projects known as reconstruction of Reega Avenue and Road Improvement Program.
