SECTION 1: Appropriation for Project - Down Payment. The improvements described in Section 3 (a) of this bond ordinance are hereby authorized to be undertaken by the Township of Egg Harbor, Atlantic County, New Jersey as local improvements. For the improvements or purposes described in Section 3 (a), there is hereby appropriated the sum of \$922,000, including the sum of \$212,000 as the down payment required by the Local Bond Law of New Jersey *N.J.S.A. 40A:2-1*, et seq. (the "**Local Bond Law**"). The down payment is now available from monies now actually held by the Township and previously contributed for such purpose.

(c) The properties affected or specially benefited by the several improvements are identified on the Tax Map of the Township of Egg Harbor as Block 9405, Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 16.01 and 34; Block 9406, Lots 1-C001, C002, C003, C004, C005, C006, C007, C008, C009, C0010, C0011, C0012, C0013, C0014, C0015, and C0016.

(e) The aggregate estimated costs of the improvements or purposes to be specially assessed against the real estate which is to be specially benefited thereby are \$710,000.

(f) The estimated cost of the improvement or purposes to be borne by the Township is \$48,000, representing a portion of the down payment of \$212,000.

SECTION 4: Issuance of Notes. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Township's Chief Financial Officer; provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with notes issued pursuant to this ordinance, and the Chief Financial Officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of NJSA 40A:2-8(a). The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time, at not less than par and accrued interest, at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this ordinance is made. Such report shall include the amount, the description, the interest rate and the maturity scheduled of the notes sold, the price obtained and the name of the purchaser.

SECTION 5: Capital Budget. The capital budget of the Township of Egg Harbor is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local Government Services is on file with the Clerk and is available there for public inspection.

SECTION 6: Special Assessment Notice. (a) Notice is hereby given to the owners of all lots and parcels of real estate benefited by the improvements described in Section 3(a) hereof and affected by the improvements described herein that the Township of Egg Harbor intends to make and levy special assessments against all such lots and parcels of real estate in an aggregate maximum amount not exceeding \$710,000. Such special assessments shall be made and levied in the manner provided by law and shall be as nearly as possible in proportion to and not in excess of the peculiar benefit, advantage or increase in value that the respective lots and parcels of real estate shall be deemed to receive by reason of the improvements. The Township will contribute a portion

of the down payment in the amount of \$48,000 to the cost of the improvements. The balance of the down payment amount has been paid by the property owners to the Township.

(b) If the amount of the special assessments as finally confirmed is less than \$710,000, then the Township will contribute the difference between such reduced special assessments and the cost of the improvements, such difference to be financed by the issuance of general improvement bonds or notes of the Township.

SECTION 7: Additional Matters. (a) The owner of any land upon which an assessment for the local improvements shall have been made may pay such assessment in the number of equal yearly installments determined herein with legal interest on the unpaid balance of the assessment. The first of such installments shall be due and payable two (2) months after the confirmation of the assessment, and such subsequent annual installment and interest shall be payable in each successive year at such time as the governing body shall by resolution determine, provided that any owner of land so assessed shall have the privilege of paying the whole of any assessment or any balance of installments with accrued interest thereon at one time. In case any such installment shall remain unpaid for thirty (30) days after the time it shall become due and payable, the whole assessment or the balance thereof shall become and be immediately due and payable, shall draw interest at the rate imposed upon the arrearage of taxes in the Township and shall be collected in the same manner as provided by law for other past due assessments. Such assessment shall remain a lien upon the land described herein until the assessment, with all installments and accrued interest thereon, shall be paid and satisfied. Notwithstanding anything herein to the contrary, the Township shall have the right to waive default as many be permitted by law.

(b) The purpose described in Section 3(a) of this bond ordinance are not current expenses. They are improvements that the Township may lawfully undertake as local improvements, the cost of which shall partially be specially assessed on property specially benefited thereby, and partially paid for by the Township.

(c) The period of usefulness of the purposes within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is ten (10) years.

(d) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the Office of the Township Clerk, and a complete executed duplicate thereof has been electronically filed in the Office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement above shows that the gross debt of the Township as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$710,000 and the obligations authorized herein will be within all debt limitations prescribed by that law.

(e) An aggregate amount not exceeding \$97,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purposes or improvements.

(f) The number of annual installments within which the special assessments are to be levied on the lots and parcels of real estate benefited by the improvements is eight (8) years or the period for which bonds are issued for the improvements authorized by this bond ordinance, whichever shall be less.

SECTION 8: Application of Grants. Any grant monies received for the purposes described in Section 3 (a) hereof shall be applied to reduce the general obligations of the Township incurred in connection with the cost of the improvements. When and if such obligations shall be completely retired, any additional monies received shall be applied to reduce the obligations of the specially assessed property owners. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such monies are so used.

SECTION 9: Official Intent to Reimburse Expenditures. The Township reasonably expects to reimburse any expenditures towards the costs of the improvements or purpose described in Section 3 of this ordinance and paid prior to the issuance of any bonds or notes authorized by this ordinance with the proceeds of such bonds and notes. No funds from sources other than the bonds or notes authorized herein has been or is reasonably expected to be reserved, allocated on a long-term basis or otherwise set aside by the Township, or any member of the same “control group” as the Township, within the meaning of Treasury Regulations Section 1.150-1(f), pursuant to their budget or financial policies with respect to any expenditures to be reimbursed. This Section is intended to be and hereby is a declaration of the Township’s official intent to reimburse any expenditures towards the costs of the improvements or purposes described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with the Treasury Regulations Section 1.103-18, and no action (or inaction) will be an artifice or device in accordance with Treasury Regulation Section yield restrictions or arbitrage rebate requirements.

SECTION 10: Full Faith and Credit. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy *ad valorem* taxes upon all the taxable real property within the Township for the payment of the obligations and the interest thereon without limitation as to rate or amount.

SECTION 11: Tax Covenant. The governing body of the Township hereby covenants on behalf of the Township that to the extent any debt obligations are issued as tax-exempt debt

obligations to take any action necessary or refrain from taking such action in order to preserve the tax-exempt status of such debt obligations authorized hereunder as is required under the Internal Revenue Code of 1986, as amended, including compliance with said Code with regard to the use, expenditure, investment, timely reporting and the rebate of investment earnings as may be required thereunder.

SECTION 12: Severability. The provisions of this ordinance are severable, to the extent that any clause, phrase, sentence, paragraph, or provision of this ordinance shall be declared void, illegal or unconstitutional, the remaining provisions shall continue in full force and effect.

SECTION 13: Repeal of Inconsistent Ordinances. To the extent that any previous ordinance or resolution is inconsistent with or contradictory hereto, said ordinance or resolution is hereby repealed or amended to the extent necessary to make it consistent herewith.

SECTION 14: Effective Date. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.

The thirteen percent (13%) very low income requirement will not apply to developments that produce less than eight (8) affordable units.

As an example, if a residential developer seeks to construct five (5) units, four (4) of the units may be sold at market rate, and one (1) unit must be designated as "affordable" for a low income household.

As an example, if a residential developer seeks to construct twenty (20) units, sixteen (16) of the units may be sold at market rate, two (2) units must be designated as "affordable" for moderate income households, and two (2) units must be designated as "affordable" for low income households.

As an example, if a residential developer seeks to construct one-hundred (100) units, eighty (80) of the units may be sold at market rate, ten (10) units must be designated as "affordable" for moderate income households, seven (7) units must be designated as "affordable" for low income households, and three (3) units must be designated as "affordable" for very low income households.

(b) Densities. The Township's residential zoning across the Pinelands Regional Growth Area was based on the Pinelands Commission's requirements of 2.5

dwelling units per acre base density with an increase to a maximum of 3.75 dwelling units per acre through the acquisition of Pinelands Development Credits. The densities within the RG-4 and RG-5 zones, which exceed the base densities, are as follows:

Zoning District	Density
RG-4	6.0 du/acre
RG-5	7.5 du/acre

- (c) Pinelands Development Credit Requirements. Pinelands Development Credits shall be required for twenty five percent (25%) of all units in the RG-4 and RG-5 Zones, excluding those units which are made affordable for very low, low and moderate income households. One-quarter of a Pinelands Development Credit (i.e., one right) shall be purchased and redeemed for every four non-income restricted units, rounded up to the next highest increment of a quarter Pinelands Development Credit.
- (d) Application Fees for Municipal Subdivision / Site Plan Approvals. Application fees for Municipal Planning / Zoning Board approvals which provide affordable housing units shall be based on the non-income restricted units only.
- (e) Example of the Affordable Housing, Bonus Density, Application Fees and Pinelands Development Credit Requirements.

As an example, if a residential developer seeks to develop on ten (10) acres in the RG-5 Zone the following would apply:

Units permitted = 75 units.

Number of affordable units required = 15 units.

Units for which fees and Pinelands Development Credits are calculated = 60 market rate units.

Application Fees Required:

For Subdivisions:

Preliminary Major Subdivision: \$400 + 60 lots @ \$30 / lot = \$2,200.00.

Final Major Subdivision: \$400 + 60 lots @ \$30 / lot = \$2,200.00.

For Site Plans:

Preliminary Major Site Plan: \$1,000 + 60 units @ \$25 / unit = \$2,500.00.

Final Major Site Plan: 50% of preliminary application fees = \$1,250.00.

Pinelands Development Credits Required: 25% of 60 market rate units = 15 units or 3.75 PDCs.

F. General Provisions for Constructing Affordable Units.

- (1) Affordable housing units being constructed on-site shall be in conformance with the Fair Housing Act, all applicable COAH and UHAC regulations, the Township's Affordable Housing Ordinance, applicable settlement or development agreements, and any applicable Court Orders (including any JOR orders and JOR condition follow up orders). Regardless of how the units are provided, the scale, massing, roof pitch and architectural detailing (such as the selection of exterior materials, doors, windows, etc.) of the buildings containing the affordable housing units shall be similar to and compatible with that of the market-rate units.

This review shall be conducted by the Township Planner and/or by such other person or entity as shall be designated to administer the Township's affordable housing matters.

 - (i) What income level the unit will be available to: moderate income household, low income household or very low income household;
 - (ii) Whether the unit will be for-sale or for-rent; and
 - (iii) Number of bedrooms.
- (3) The AHPP shall be approved by the Board hearing the development application. The Board shall consider the impacts of the proposal relative to its consistency with the Fair Housing Act, applicable COAH and UHAC regulations, the Township's Housing Element and Fair Share Plan, the Township's Affordable Housing Ordinance,

applicable settlement and development agreements and any Court Orders (including any JOR orders and JOR condition satisfaction orders).

- (4) Compliance with the Fair Housing Act, applicable COAH and UHAC regulations, the Township's Housing Element and Fair Share Plan, the Township's Affordable Housing Ordinance, applicable settlement and development agreements, Court Orders (including any JOR orders and JOR condition satisfaction orders) with the approved AHPP shall be a condition of the Board's resolution of approval.
- (5) It shall be the developer's responsibility, at its sole cost and expense, to contract with an experienced entity for the initial and ongoing administration of the controls on affordability so as to ensure full compliance with the Fair Housing Act, applicable COAH and UHAC regulations, the Township's Housing Element and Fair Share Plan, the Township's Affordable Housing Ordinance, applicable settlement and development agreements and any Court Orders (including any JOR orders and JOR condition satisfaction orders). By February 1st of each year, the designated administrative entity shall file with the Township appointed Administrative Agent and the Township Clerk of the Township of Egg Harbor such certifications, reports and/or monitoring forms as will be required by COAH or the Court to verify the continuing compliance of each affordable unit with the aforementioned applicable rules, regulations, agreements and Court orders. If such an administrative entity is not the same Administrative Agent utilized by the Township, said entity will cooperate with the Township's Administrative Agent and make all certifications, reports and/or monitoring forms available for review and approval upon request.

2018

Resolution encouraging the use of reusable cloth type shopping bags or biodegradable bags as opposed to single use plastic bags

WHEREAS, non-biodegradable, single use plastic bags are often discarded into the environment and end up polluting our waterways, clogging sewers, endangering marine wildlife and causing unsightly litter; and

WHEREAS, plastic bags don't biodegrade, they do photodegrade, meaning that when exposed to ultraviolet radiation from sunlight, plastic bags break down into smaller and smaller pieces making them easily ingestible by marine mammals and birds; and

WHEREAS, in the ocean, plastic debris injures and kills fish, seabirds and marine mammals. Marine plastic pollution is estimated to impact at least two hundred and sixty seven (267) species worldwide, including 86% of all sea turtle species, 44% of all seabird species and 43% of all marine mammal species. The impacts include fatalities as a result of ingestion, starvation, suffocation, infection, drowning, and entanglement. Each year, one (1) trillion plastic bags are consumed worldwide, nearly two (2) million plastic bags used per minute. In addition, plastic bags are among the twelve (12) items of debris most often found in coastal cleanups, according to the nonprofit Center for Marine Conservation;

NOW, THEREFORE, BE IT RESOLVED, by the Township Committee of the Township for Egg Harbor, County of Atlantic and State of New Jersey that:

1. We strongly encourage the residents of Egg Harbor Township to use re-usable, cloth type shopping bags or biodegradable bags as opposed to single use, plastic bags and further; and

Resolution No. 147

2018

Resolution calling for defeat of an assembly bill proposing internet gambling at New Jersey state race tracks

WHEREAS, legalized casino gambling outside of Atlantic City was soundly defeated by a 4-1 margin, the largest margin of defeat for a ballot question in State history, just over a year ago by a State public referendum, and State legislators, both Republican and Democrat, pledged to honor that public defeat and not expand gaming outside of Atlantic City; and

WHEREAS, despite those bipartisan legislative pledges, the State Assembly recently approved a bill introduced by Assemblyman Ralph Caputo, D-Essex, to allow internet casino gambling in New Jersey racetracks; and

WHEREAS, the Assembly bill, currently in Assembly Committee, would allow betters online to gamble at New Jersey racetrack "internet cafes" by way of an internet cyber connection from authorized casino computers at casinos in Atlantic City; and

WHEREAS, each racetrack internet café could open slot parlors with unlimited numbers of slot machines and unlimited live casino internet table games, as long as the dealer was in Atlantic City and being viewed at the racetrack internet cafes on a video screen; and

WHEREAS, such authorization and usage of the internet would effectively void the public referendum, ignore the will of the people, expand gaming throughout New Jersey, erase pledges of the many legislators, violate the State Constitution restricting gaming outside of Atlantic City and turn it into the opposite result of gaming allowed throughout the State; and

WHEREAS, the result would be an extreme mockery of the public defeat of the recent referendum, all for the benefit of a tiny group of commercial interests that would make millions by the expansion of gaming state-wide;

NOW, THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of Egg Harbor, County of Atlantic, State of New Jersey, that the Township Committee opposes the Assembly bill and its overthrow of the public referendum, and calls upon the State legislative teams of Atlantic County, and throughout the State, Republican and Democratic alike, to oppose and defeat this ill-conceived and contemptuous bill as immediately and permanently as possible.
