Meeting with Township Engineer Mott

- A. Delaware Avenue Street Vacation. Engineer Mott advised that the owner of Lot 5 in Block 5510 has purchased the old Cousins Restaurant and come in with a site plan. They are requesting the vacation of a portion of Delaware Avenue. There is no problem with the granting of their request.
- B. Egg Harbor Township Nature Reserve. Engineer Mott stated that bids were received for the parking lot improvements at the Egg Harbor Nature Reserve. The lowest bidder is Jerry & Son who came in at a bid 17 percent below the municipal engineer's estimate. The bidder will be in a position to commence work in two weeks.

New Business

- A. *Dog Park – Swift Avenue.* Administrator Miller stated that the township owns a strip 250 x 2000 feet long north of Swift Drive from Ocean Heights Avenue. The dog park can be built behind Castle Park Playground. The township will need to draft a lease with the non profit. The parcel is about 4.5 acres of land. Lee Mann of 3360 Bargaintown Road spoke on behalf of the dog park organization. She stated the acquisition of the land was critical to their fund-raising efforts and support. She stated that it is their intention to start small and grow in time.
- B. *Capital Ordinance.* Administrator Miller indicated that Ordinances 21 and 22 implement the capital improvement plan that is provided for in the budget. Administrator Miller stated that Resolution 219 transfers funds that were appropriated via Ordinance 24 of 2012 and never used in order that the Police Department may purchase two 4 wheel drive vehicles that are to be provided pursuant to the 2013 capital budget.
- C. *Ordinance 24 of 2013.* Administrator Miller advised the Township Committee that the Chief Financial Officer has been working with the township's bond counsel and financial advisor in order to go to bid to refinance 2006 debt. In 2006 the township issued a bond for \$19M of which \$14M remains to be paid. Presently the township is paying 4.25 percent. It is the hope that the township get it down to 2 percent and if so, we can refinance the outstanding debt.
- D. *Egg Harbor Township School District*
 - a. *Bargaintown School Lease.* Administrator Miller advised that he was approached by the Egg Harbor Township School Business Administrator for a 15-year lease agreement. Administrator Miller recommended that the township give the school back to the Board of Education with a reverter clause. The Mayor indicated that he was approached about the Board of Education giving the West Atlantic City School back to the township. The township has no need for the school.
 - b. *School Resource Officers.* Administrator Miller indicated that the Police Department was working on a grant to provided armed uniform officers for the school. The grant provides for \$125K per officer for three years. The hope would be that the township and the school board would share in the costs with a

25 percent match. The school board at their last meeting voted down the proposal. The deadline was June 4. We will not be submitting the grant.

- E. *Community Center HVAC Contract.* Administrator Miller stated that Resolution 222 on the agenda is to extend the existing contract for 90 days to allow the Township to go out to bid.
- F. *West Atlantic City Appraisal Services.* Administrator Miller reported that the township went out to bid for appraisal work on West Atlantic City properties. It is his recommendation that the contract be awarded to Henry Mancini.

Other Business (not listed on the Agenda)

- A. *Sycamore Avenue speeding.* At the last meeting, James Conover asked that the township look into the inordinate amount of speeding on Sycamore Avenue from Dogwood to West Jersey Avenue. Chief Morris spoke about the measures that were taken to monitor the speeding for several weeks to determine whether the speeding was excessive and the preliminary data revealed the average speed in the area at 28 mph. There were some operators that traveled at excessive speeds. Some operated were cited. They were all residents of the area. Chief Morris indicated that they had 8 days of conclusive data.
- B. *Resolutions Revised.* Administrator Miller advised the Committee that two resolutions on the agenda had minor revisions (Resolution 224 for the one-way designation for the Greek Festival and Resolution 231 authorizing refunds of overpaid taxes).
- C. *Supplemental Agenda.* Administrator Miller stated that there was a supplemental agenda prepared to add two resolutions, one for the awarding of a maintenance contract to Elder Pest Control and another for award of contract for electric generation supply services. Administrator Miller also referenced the addition of a resolution to approve a place to place transfer of the pocket license owned by Mason Hospitality.
