Interest Payment Dates

The Bonds will be dated the date of delivery (which is expected to be September 28, 2017) and will bear interest at the rate per annum specified by the successful bidder therefor in accordance herewith, payable on March 1, 2018 and semi-annually thereafter on the first day of September and March in each year until maturity.

Optional Redemption Provisions

The Bonds shall not be subject to redemption prior to their respective stated maturity dates.

Book-Entry-Only System

As long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC, which will credit payments of principal of and interest on the Bonds to the DTC participants as listed in the records of DTC as of each next preceding February 15 and

August 15, respectively (the “Record Dates” for payment of interest on the Bonds), which participants will in turn credit such payments to the beneficial owners of the Bonds.

All bidders of the Bonds must be participants of The Depository Trust Company, New York, New York (“DTC”) or affiliated with its participants. The Bonds will be issued in fully registered form, and when issued will be registered in the name of and held by Cede & Co., as the registered owner thereof and nominee for DTC, an automated depository for securities and clearinghouse for securities transactions.

Individual purchases of beneficial ownership interests in the Bonds will be made in book-entry form (without certificates) in the denomination of \$1,000 each or any integral multiple thereof (with a minimum purchase of \$5,000). It shall be the obligation of the successful bidder to furnish to DTC an underwriter’s questionnaire and the denomination of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds.

In the event that either DTC determines not to continue to act as securities depository for the Bonds or the Borough determines that the beneficial owners of the Bonds be able to obtain bond certificates, the Borough will appoint a paying agent and will issue and deliver replacement Bonds in the form of fully registered certificates.

Adjustment to Principal Amounts

The preliminary aggregate principal amount of the Bonds and the preliminary principal amount of each annual payment on the Bonds as set forth in this Notice of Sale (the “**Preliminary Aggregate Principal Amount**” and the “**Preliminary Principal Amount**” of each annual payment, respectively; collectively, the “**Preliminary Amounts**”) may be revised before the receipt of electronic bids for their purchase. ANY SUCH REVISIONS made prior to the receipt of electronic bids (the “**Revised Aggregate Principal Amount**” and the “**Revised Principal Amount**” of each annual payment, respectively; collectively, the “**Revised Amounts**”) WILL BE PUBLISHED ON THOMSON MUNICIPAL MARKET MONITOR (“TM3”) (www.TM3.com) NOT LATER THAN 11:00 A.M. (NEW YORK CITY TIME) ON THE LAST BUSINESS DAY PRIOR TO THE DATE OF SALE. In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts. Bidders shall submit bids based on the Revised Amounts and the Revised Amounts will be used to compare bids and select a winning bidder.

As promptly as reasonably possible after the bids are received, the Township will notify the bidder to whom the Bonds will be awarded, if and when such award is made, and such bidder, upon such notice, shall advise the Township of the initial reoffering prices to the public of each maturity of the Bonds (the “**Initial Reoffering Prices**”). Such Initial Reoffering Prices, among other things, will be used by the Township to calculate the final principal amount of each annual payment on the Bonds (the “**Final Aggregate Principal Amount**” and the “**Final Principal Amount**” of each annual payment, respectively; collectively, the “**Final Amounts**”) to accommodate the objectives of the Township. The Township may and expects to, after the receipt and opening of bids, adjust the maturity schedule of Bonds to adjust the amount of Bonds to the amount needed by the Township when considering the bid premium. The Final Aggregate

Principal Amount of the Bonds will not be reduced or increased by more than 10% from the Revised Aggregate Principal Amount. THE SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE REVISED AMOUNTS. The dollar amount bid by the successful bidder for the Bonds will be adjusted to reflect changes in the dollar amount of the underwriter's discount and the original issue discount/premium, if any, but will not change the selling compensation per \$1,000 of par amount of the Bonds from the selling compensation that would have been received based on the purchase price in the winning bid and the Initial Reoffering Prices. The Final Amounts will be communicated to the successful bidder as soon as possible, but not later than 11:00 a.m. the day after awarding the Bonds.

Electronic Bidding Procedures

Bids may be submitted electronically via PARITY in accordance with this Notice of Sale, until 11:00 a.m., New York City time, on Thursday, September 14, 2017, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact PARITY at (212) 849-5021. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. The Township may regard the electronic transmission of the bid through PARITY (including information about the purchase price of the Bonds, the interest rate or rates to be borne by the various maturities of the Bonds, the initial public offering price of each maturity and any other information included in such transmission) as though the same information were submitted directly to the Township and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the Township, the terms of the Proposal or Bonds and this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the Township, and the Township shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the Township or information provided by the bidder.

3. The Township may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m. (New York City Time) on the last business date prior to the bid date set forth above.

4. Once the bids are communicated electronically via PARITY to the Township as described above, each bid will constitute a Proposal for Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all Proposal for Bonds, whether by hand delivery or electronically via Parity, the time as maintained on PARITY shall constitute the official time.

5. Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Township nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure access to any qualified prospective bidder, and neither the Township nor Parity shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The Township is using PARITY as a communication mechanism, and not as the Borough's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the Township harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

Bid Specifications

Each Proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for and the rate or rates named must be multiples of one-eighth ($1/8^{\text{th}}$) or one-twentieth ($1/20^{\text{th}}$) of one per centum (1.0%). Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the rates that may be named. The difference between the highest and lowest rates of interest named in the Proposal shall not exceed three percent (3%). Each Proposal submitted must be for all of the Bonds and the purchase price specified in the proposal must be not less than 100% of the aggregate par value of the Bonds or for more than 110% of the aggregate par value of the Bonds. The Township may and expects to, after the receipt and opening of bids, adjust the maturity schedule of Bonds to adjust the amount of Bonds to the amount needed by the Township when considering the bid premium.

Subject to the Bid requirements described herein, each Proposal for the Bonds must be submitted on a “**All or None**” basis for the entire amount of \$8,000,000*. A Bidder must submit a conforming Proposal for the entire issue, and if such Proposal is accepted by the Township, the Bidder will be required to purchase the entire issue in accordance with such Proposal.

Award, Delivery and Payment

The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest true interest cost. Such true interest cost shall be computed, as to each bid, by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and the price bid, excluding accrued interest to the delivery date. No Proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest true interest cost to the Township under any legally acceptable proposal. If two or more such bidders offer to pay the lowest true interest cost, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Bonds are awarded (in the manner specified above) is herein referred to as the “**Successful Bidder**”.

* Preliminary, Subject to change.

It is expected that delivery of the Bonds to DTC and payment for the Bonds will take place on or about September 28, 2017 at the offices of Fleishman Daniels Law Offices, LLC, bond counsel to the Township (“**Bond Counsel**”), in Linwood, New Jersey or at such other place as may be agreed upon with the Successful Bidder. The Bonds will be delivered to DTC in single denominations for each maturity of each series of bond. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

Change of Bid Date and Closing Date

The Township reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders via notification published on Thomson Municipal Market Monitor (“**TM3**”) (www.tm3.com). Prospective bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their telecopier numbers to the Chief Financial Officer of the Township at (609) 926-4094, and the Borough’s Municipal Advisor, Phoenix Advisors, LLC (the “**Municipal Advisor**”) at (609) 291-0130, by 12:00 Noon, New York City time, on the day prior to the announced date for receipt of bids. In addition, the Township reserves the right to make changes to this Notice of Sale. Such changes will be announced on the TM3.

A postponement of the bid date will be announced via TM3 not later than 11:00 a.m., New Jersey time, on the last business day prior to any announced date for receipt of bids, and an alternative sale date and time will be announced via TM3 by Noon, New York City time, not less than forty-eight (48) hours prior to such alternative date for receipt of bids.

On any such alternative date and time for receipt of bids, the Township will accept electronic bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for receipt of bids and any other changes announced via TM3 at the time the date and time for receipt of bids are announced.

Right to Reject Bids; Waive Irregularities

The right is reserved to reject all bids, and any bid not complying with the terms of this Notice of Sale will be rejected. The Township reserves the right to reject any or all Proposals and so far as permitted by law, to waive any irregularity or informality in any or all Proposals.
Good Faith Deposit

A good faith deposit (the “**Deposit**”), in the form of either (i) a financial surety bond (the “**Financial Surety Bond**”), or (ii) an electronic transfer of immediately available federal funds in accordance with the wiring instructions to be obtained from the Township’s Municipal Advisor (contact Anthony P. Inverso at (609) 291-0130), in the amount of \$160,000 is required for each bid for the Bonds to be considered. The Financial Surety Bond must be from an insurance company licensed to issue such a bond in the State of New Jersey and approved by the Director of the Division of Local Government Services of New Jersey (the “**Director**”). At

present, the Director has approved the use of Sure-Bid, a division of Financial Security Assurance Inc. Use of any other Financial Surety Bond must be approved by the Director prior to the bid and will not be accepted by the Township unless evidence of such approval is provided prior to the bid. The Financial Surety Bond must be submitted to the Township prior to 10:30 a.m. New York City time on the date for receipt of bids, and must be in the form and substance acceptable to the Township. Neither the Township, the Municipal Advisor, nor Bond Counsel are responsible for ensuring receipt of such Deposit. A Financial Surety Bond must identify the bidder whose Deposit is guaranteed by such Financial Surety Bond. The Successful Bidder for the Bonds who utilized a Financial Surety Bond is required to submit its Deposit to the Township in the form of a wire transfer not later than 1:00 p.m. New York City time on the next business day following the award. If such Deposits are not received by that time, the Financial Surety Bond may be drawn by the Township to satisfy the Deposit requirement.

A bidder providing the Deposit via electronic transfer of funds shall contact the Township's Municipal Advisor for applicable wire instructions, as described above.

If an electronic transfer of funds is used, such funds must be received in the account identified immediately above no later than 10:30 a.m. New York City time on the date for receipt of bids, and must be accompanied by detailed wiring instructions, including bidder contact information, for the return thereof in the event that such bidder is not the Successful Bidder. Please note that the Township contact information provided above should be used by bidders for the purposes of confirming receipt of electronic transfer of funds and the transmittal of instructions for the return of such electronic transfers of funds in the event such bidder is not the Successful Bidder. Electronic transfers of funds of unsuccessful bidders for the Bonds will be returned upon award of the Bonds. It is the intent of the Township that electronic transfers of funds will be returned via wire transfer to the unsuccessful bidders not later than 5:00 p.m. on the date for receipt of bids, provided that wiring instructions have been provided by such unsuccessful bidder at the time of transmission of the Deposit to the Township. The Township shall not bear any liability for any delay that may occur in the return of an electronic transfer of the Deposit to an unsuccessful bidder. Interest earned on the Deposit will be credited to the Township and will not be available to the Successful Bidder for the Bonds.

The Deposit of the Successful Bidder will be collected and the proceeds thereof retained by the Township to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the Successful Bidder of the Bonds shall fail to comply with the terms of its respective bid, the proceeds thereof will be retained as and for full liquidated damages. Award of the Bonds to the Successful Bidder of the Bonds or rejection of all bids is expected to be made within two hours after opening of the bids, but such Successful Bidder of the Bonds may not withdraw its Proposal for the Bonds until after 5:00 p.m. of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

Bond Insurance

If the Bonds qualify for issuance of any policy of municipal bond insurance, any purchase of such policy shall be at the sole option and expense of the Successful Bidder. If the Bonds are to be insured, the Successful Bidder shall pay the premium therefor prior to the

delivery of the Bonds. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the Successful Bidder of its contractual obligations arising from the acceptance of its Proposal for Bonds for the purchase of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any such Bond nor any error with respect thereto shall constitute cause for the failure or refusal of the Successful Bidder to accept delivery of and pay for the Bonds. The CUSIP Service Bureau charges for the assignment of CUSIP numbers on the Bonds shall be the responsibility of and shall be paid for by the Successful Bidder. **ONE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE COMBINED PRINCIPAL AMOUNTS OF THE SERIES 2017A BONDS AND THE SERIES 2017B BONDS.**

Information Required from the Successful Bidder

By making a bid for the Bonds, the Successful Bidder agrees: (a) to provide to the Township, in writing, immediately upon being unofficially awarded the Bonds, a written confirmation of the bid, which shall include the purchase price, reoffering yield(s), and other related information necessary for completion of the final Official Statement by Bond Counsel; (b) to disseminate to all members of the underwriting syndicate copies of the Official Statement; (c) to promptly file a copy of the final Official Statement with each nationally recognized Municipal Securities Information Repository; and (d) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of the Bonds to alternate purchasers.

Establishment of Issue Price for the Bonds

In the event the Township receives at least three (3) bids for the Bonds, then the Issue Price for the Bonds shall be established based on the reasonably expected initial offering prices of each series of Bonds as of the Sale Date (the “**Expected Offering Prices**”). The Expected Offering Prices shall consist of the prices for each maturity of each series of Bonds used by the Successful Bidder in formulating its bid to purchase the Bonds. The Successful Bidder shall be required to deliver on the Delivery Date a certificate to such effect, and provide to the Township, in writing, the Expected Offering Prices as of the Sale Date.

In the event the Township receives fewer than three (3) bids for the Bonds, then the Issue Price for the Bonds shall be established based on the first price at which at least 10% of each maturity of each series of Bonds was sold to the Public (as defined below). The Successful Bidder shall be required to deliver on the Delivery Date a certificate to such effect, and provide to the Township, in writing, evidence satisfactory to Bond Counsel to the Township of such sales prices for each maturity of each series of Bonds. In the event that the Successful Bidder has not sold at least 10% of each maturity of each series of Bonds to the Public as of the Delivery Date (each, an “**Unsold Maturity**”), the Successful Bidder shall (i) provide to the Township, in writing, on the Delivery Date, the Expected Offering Prices for each Unsold Maturity of each

series of Bonds and a certificate regarding same and (ii) have a continuing obligation to provide to the Township, in writing, evidence satisfactory to Bond Counsel to the Township of the first price at which at least 10% of each Unsold Maturity of each series of Bonds is sold to the Public, contemporaneous with each such sale, until at least 10% of all such Unsold Maturities have been sold to the Public.

Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter (as defined herein) or a related party to an Underwriter. The term "related party" generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly. Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

Legal Opinions

The obligations hereunder to pay for and to accept delivery of the Bonds shall be conditioned on the availability and the delivery at the time of delivery of the Bonds of the approving opinion of the law firm of Fleishman Daniels Law Offices, LLC, Linwood, New Jersey, bond counsel to the Township, which will be furnished without cost to the Successful Bidder, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. Such opinion shall state to the effect that the Bonds are valid and legally binding obligations of the Township, and that all the taxable property therein will be subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the principal of the Bonds and the interest thereon; and will also state that under existing law, interest on the Bonds is excluded from gross income for purposes of Federal income taxation. Resolution No. 312

2017

Resolution authorizing the execution of a contract renewing membership in the Atlantic County Municipal Joint Insurance Fund

WHEREAS, the Township of Egg Harbor (hereinafter the "MUNICIPALITY") is a member of the Atlantic County Municipal Joint Insurance Fund (hereinafter the "FUND"); and

WHEREAS, the MUNICIPALITY'S membership terminates as of January 1, 2018 unless earlier renewed by a Contract between the MUNICIPALITY and the FUND; and

WHEREAS, N.J.S.A. 40A:11-5 (1) (m) provides that a Contract which exceeds the bid threshold may be negotiated and awarded by the governing body without public advertising for bids and bidding therefor, if the subject matter is for the purchase of insurance coverage and consultant services, provided that the award is in accordance with the requirements for extraordinary unspecifiable services; and

WHEREAS, N.J.S.A. 40A:11-6.1(b) provides that the MUNICIPALITY shall make a documented effort to secure competitive quotations; however, a Contract may be awarded upon a determination, in writing, that the solicitation of competitive quotations is impracticable; and

WHEREAS, in accordance with N.J.A.C. 5:34-2.3, a designated official of the TOWNSHIP, has filed a certificate with the governing body describing in detail, as set forth below in this Resolution, why this Contract meets the provisions of the statutes and the regulations and why the solicitation of competitive quotations is impracticable; and

WHEREAS, it has been determined that the purchase of insurance coverage and insurance consultant services by the MUNICIPALITY requires a unique knowledge and understanding of the municipal exposures and risks associated with the operation of a municipal entity, and many insurance professionals are not qualified to assess these risks and exposures based upon their inherent complexity; and

WHEREAS, insurance coverage for municipal entities can vary greatly in the type, limits, and exceptions to coverage, and therefore particularized expertise in determining and obtaining the appropriate coverage is required to protect the MUNICIPALITY; and

WHEREAS, it is the goal of the MUNICIPALITY to obtain a single integrated program to provide all types of insurance coverage with a plan to limit the MUNICIPALITY'S exposure; and

WHEREAS, the FUND has provided comprehensive insurance coverage to member municipalities since 1987; and

WHEREAS, since 1987, the Fund has continually refined all of the types of coverage that it provides to its members so that it offers comprehensive insurance coverage and limits to all members that is unique and cannot be purchased from a single entity in the commercial insurance market; and

WHEREAS, the FUND has also developed and made available to its members Safety, Risk Management and Litigation Management programs that address the specific exposures and risks associated with municipal entities; and

WHEREAS, the FUND provides the MUNICIPALITY with Fund Administration, Claims Review, Claims Processing, Claims Administration, Actuarial and Legal services; and

WHEREAS, the FUND is one of the most financially sound Municipal Joint Insurance Funds in New Jersey, and the FUND operates with strong fiscal controls, member oversight, and meets all of the requirements promulgated by the New Jersey Department of Community Affairs and the Department of Banking and Insurance; and

WHEREAS, as an existing member of the FUND, the MUNICIPALITY would be renewing its membership in an organization with experienced and dedicated FUND Professionals who provide specialized services to the members; and

WHEREAS, the membership of the FUND includes many neighboring municipalities that uniquely have similar exposures to the MUNICIPALITY, and with whom the MUNICIPALITY has existing inter-local arrangements; and

WHEREAS, all of the aforementioned factors categorize the award of this Contract as an “extraordinary, unspecifiable service” that cannot be duplicated, accounted for, accurately detailed, or described in a manner that truly depicts the value of the MUNICIPALITY’S membership in the FUND; and

WHEREAS, for all of the aforementioned reasons, it is impracticable for the TOWNSHIP to seek competitive quotations for a Contract to provide the procurement of insurance coverage and consultant services; and

WHEREAS, the FUND has been organized pursuant to N.J.S.A. 40A:10-36 et seq., and as such is an agency of the municipalities that created it; and

WHEREAS, N.J.S.A. 40A:11-5(2) also provides that a Contract which exceeds the bid threshold may be negotiated and awarded by the governing body without public advertising for bids and bidding therefor, if the Contract is entered into with a municipality or any board, body, officer, agency or authority thereof; and

WHEREAS, the FUND meets the definition of an agency as set forth in N.J.S.A. 40A:11-5(2); and

WHEREAS, for all of the aforementioned reasons, the MUNICIPALITY desires to enter into a Contract to renew its membership with the FUND for a period of three (3) years, for insurance coverage and consultant services, as an exception to the public bidding requirements of the Local Public Contracts Law.

NOW THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of Egg Harbor, County of Atlantic and State of New Jersey that:

1. The MUNICIPALITY agrees to renew its membership in the FUND and to be subject to the Bylaws, Rules and Regulations, coverages, and operating procedures thereof as presently existing or as modified from time to time by lawful act of the FUND.
2. The Mayor and Clerk of the MUNICIPALITY shall be and hereby are authorized to execute the "Contract to Renew Membership" annexed hereto and made a part hereof and to deliver same to the FUND evidencing the MUNICIPALITY’S renewal of its membership.

3. In accordance with N.J.A.C. 5:34-2.3, the certificate of a designated official of the MUNICIPALITY, which details why the solicitation of competitive quotations is impracticable, is attached hereto and made a part of this Resolution.
4. The Clerk of the MUNICIPALITY is authorized and directed to place a notice of the adoption of this Resolution and the award of this Contract in the official newspaper of the MUNICIPALITY.

The FUND is one of the most financially sound Municipal Joint Insurance Funds in New Jersey, and the FUND operates with strong fiscal controls, member oversight, and meets all of the requirements promulgated by the New Jersey Department of Community Affairs and the Department of Banking and Insurance; and
9. As an existing member of the FUND, the MUNICIPALITY would be renewing its membership in an organization with experienced and dedicated FUND Professionals who provide specialized services to the members; and
10. The membership of the FUND includes many neighboring municipalities that uniquely have similar exposures as the MUNICIPALITY, and with whom the MUNICIPALITY has existing inter-local arrangements; and
11. The FUND has been organized pursuant to N.J.S.A. 40A:10-36 et seq., and as such is an agency of the municipalities that created it; and

WHEREAS, the Township simultaneously sought, and ultimately secured, a protective order providing Egg Harbor Township immunity from all exclusionary zoning lawsuits while it pursues approval of its Fair Share Plan; and

WHEREAS, the trial judge appointed the Honorable Steven P. Perskie, J.S.C. as the Special Court Master (hereinafter the "Court Master"), as is customary in Mount Laurel matters adjudicated in the courts; and

WHEREAS, with assistance from the Court Master, Egg Harbor Township and Fair Share Housing Center (hereinafter "FSHC") engaged in good faith negotiations which resulted in an amicable accord on the various substantive terms and conditions as set forth in the Settlement Agreement attached hereto as Exhibit A; and

WHEREAS, through this process, the Township and FSHC agreed upon the Township's affordable housing obligations and the compliance techniques necessary for the Township to satisfy its "fair share" of the regional need for low- and moderate-income housing; and

WHEREAS, the Township and FSHC also agreed to present the Settlement Agreement to the Trial Judge for approval at a duly-noticed Mount Laurel Fairness Hearing; and

WHEREAS, although there is a well-established policy favoring the settlement of all forms of litigation, the settlement of Mount Laurel litigation is particularly favored because (1) it avoids the expenditure of finite public resources; and (2) expedites the construction of safe, decent housing for the region's low- and moderate-income households; and

WHEREAS, in light of the above, the Township Committee finds that it is in the best interest of the Township to execute the attached Settlement Agreement with FSHC and to take various other actions delineated below, which will ultimately result in approval of the Township's Fair Share Plan which, in turn, will maintain the Township's immunity from all Mount Laurel lawsuits for the ten-year period set forth in the New Jersey Fair Housing Act, N.J.S.A. 52:27D-301 to 329;

NOW, THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of Egg Harbor, County of Atlantic, State of New Jersey, as follows:

1. The Township Committee hereby authorizes and directs the Mayor and Township Clerk to execute the Settlement Agreement attached hereto as Exhibit A.

2. The Township hereby directs its Affordable Housing Counsel to (a) file the fully-executed Settlement Agreement with the Court for review and approval at a duly-noticed Fairness Hearing, (b) take all actions reasonable and necessary to secure an Order approving the Settlement Agreement, and (c) work towards ultimately securing judicial approval of the Township's Fair Share Plan, after it is drafted, adopted by the Township's Planning Board and endorsed by the Township Council.
