Administrator Miller stated the original budget for this project was \$125,000. However, due to unforeseen structural damage, the bid amount has increased significantly. Mr. Miller advised a portion of the \$200,000 designated for interior improvements to town hall will be used to offset additional costs for the window replacement project.

5:02 p.m. Solicitor Friedman arrived

Ordinance 48 of 2013 – minor amendment

Mr. Watkins said Ordinance 48 of 2013 to vacate various streets listed under public hearings is being done in conjunction with a development that has been in progress for quite some time. Recently the developer has secured ownership of all surrounding lots.

Administrator Miller further explained that due to the recent consolidation of lots, a minor change is needed to the reference of Overbrook Avenue from the division line of Block 1420, Lots 9 and 10 to the Atlantic City Expressway. The Exhibit should be revised to read from Delilah Road to the Atlantic City Expressway. Since the change is minor it will not require the ordinance to be published prior to adoption.

New Business

Administrator Miller advised Planner Polistina will be applying for Planning Assistance Grants at no cost to the

Township. Corresponding resolutions may be required prior to grant submission.

Broadway Tract – Green Acres Acquisition

Administrator Miller explained Betty Simon Trustee, Richard Simon and J & M Land Company own a 250 acre tract of land off of Broadway Avenue, which encompasses blocks 250-258. Egg Harbor Township owns numerous surrounding properties in the vicinity of this tract. The State of New Jersey has expressed an interest in purchasing the 250 acre tract. Mr. Miller inquired if Township Committee would be interested in acquiring several of the lots should the State be successful in acquiring the tract. Township Committee expressed an interest and directed Administrator Miller to advise the State accordingly.

Fiber Technologies Networks – ROW Authority

Administrator Miller referenced Resolution 443 granting permission to Fiber Technologies Networks LLC to install telecommunications facilities along, under and over certain public right-of-ways. This industry is not subject to paying franchise or energy receipt taxes like the phone company. Administrator:

Administrator Miller referred to December 6, 2013 correspondence from Doebly & Dad, LLC regarding their inability to acquire certificate of occupancies for 2 lots they purchased in the Arbor Glenn sub-division. The certificates cannot be issued as the original developer has failed to complete final improvements. Doebly & Dad, LLC are requesting reprieve from township requirements in order that they can receive final certificates of occupancy. Mr. Miller advised the township does not have the ability to waive this requirement as it is part of the current code. Solicitor Friedman has researched this request and confirmed all improvements must be finalized prior to issuance of the last 2 certificates of occupancy.

§ 129-1. Definitions.

As used in this article, the following term shall have the meanings indicated:

PEDDLER

Any person, whether a resident of the Township or not, traveling by foot, cart, motor vehicle or any other type of conveyance, from place to place, from house to house or from street to street, carrying, conveying or transporting goods, merchandise, food or provisions, offering and exposing the same for sale or making sales and delivering articles to purchasers. Vendors are included.

§129-4. Use of Streets.

No peddler shall have an exclusive right to any location, nor shall he be permitted to operate in any congested area where his operations might impede or inconvenience the public. No person shall sell, offer for sale, or peddle in the Township any of the items listed in § 129-1 before 9:00 a.m. or after sundown.

§ 129-6. Enforcement.

It shall be the duty of any police officer of the Township to require any person seen peddling, and who is not known by such officer to be duly licensed, to produce his peddler's license and to enforce the provisions of this article against any person found to be violating the same.

§129-8 Inspection of equipment.

The equipment used or employed by peddlers of ice cream, food, beverages, confections and other related commodities shall be maintained in a clean and sanitary manner and be subject to the inspection of the Board of Health or its authorized agents. Any violation found and not immediately corrected shall be grounds for revocation of the license.

RESOLUTION TO EXTEND ALL ROTARY TOWING CONTRACT LICENSES THROUGH TO JANUARY 31, 2014

Resolution No. 456

2013

RESOLUTION OPPOSING ASSEMBLY BILL NO. 4147 WHICH WOULD REQUIRE CERTAIN CONTRACT BID ADVERTISEMENTS TO CONTAIN CERTIFIED COST ESTIMATE RANGES, WOULD SPECIFY THE GROUNDS FOR THE REJECTION OF ALL BIDS AND WOULD REQUIRE A 50% GUARANTY ON BIDS NOT TO EXCEED \$100,000.00

WHEREAS, this legislation would defeat the intended purpose and cost benefits of competitive bidding as it provides contractors with little incentive to submit proposals below projected cost estimates; and

WHEREAS, this legislation would increase the cost of doing business with local governments as preparing bid solicitations become more complex and may require local governments to hire professional consultants to prepare comprehensive cost estimates; and

WHEREAS, this legislation would lead to costly litigation if the reasonableness of a projected cost estimate is challenged in court further driving up project expenses; and

WHEREAS, this legislation would eliminate the important flexibility local governments exercise under current law when making decisions concerning the acceptance or rejection of all bid proposals- including those that deal with the purchase of goods and services; and

WHEREAS, this legislation would adversely impact the ability of local governments to execute cost effective public contracts under terms and conditions most favorable to taxpayers; and

NOW, THEREFORE, BE IT RESOLVED that the Township Committee of the Township of Egg Harbor, County of Atlantic and State of New Jersey does hereby strongly oppose Assembly Bill No. 4147, which requires certain public contract bid advertisements to contain certified cost estimates and specifies grounds for the rejection of all bids; and

BE IT FURTHER RESOLVED that certified copies of this Resolution shall be forwarded to Governor Chris Christie, the President of the New Jersey Senate, the Speaker of the General Assembly, and District 2 Legislators.
