OLD BUSINESS

Lowe's donated all of the lumber for the replacement of benches at Veterans Memorial Park. They did not donate the bolts and the board needs to reimburse the 177th Boy Scout Troop for the cost, approximately \$30.

NEW BUSINESS

Memorial Day Parade

The Township and the Veterans Advisory Board received a lot of good public relations for the parade and services.

It was suggested that our website could be better utilized by adding more information when events are going to be held.

The board will try and get a list of the veterans living in the Township and use it to see who needs help and would like to partake in the events the board sanctions.

A well deserved thanks goes out to all members of the advisory board especially Dan Clayton for his work on the sound system.

It was suggested that next year the services should be moved around to face the large fields so as to accommodate the crowd. Also, the library should open up the bathrooms for the services. It was agreed that the board will start planning for the parade by April 2012.

The board needs to address the traffic problem after the parade with the police department.

Flag Day

Flag Day will follow the same format as last year. The board will try and get a fly over from the coast guard. Committeeman Hodson will check on same.

Members Lundberg and Ebert volunteered to speak at the service.

All of the flag poles need new rope. Committeeman Hodson will work on this project.
