**OLD BUSINESS**

Members reviewed two (2) draft invitations to Governor Christie for 9/11. Member Lundberg prepared the original invitation and Chairman Dodson asked that it be shortened by Township Committee Secretary Hughes. Members agreed to send the shortened version. Member Lundberg commented that he does not have time to write letters that are not going to be sent. He suggested Township Committee Secretary Hughes write all of them.<sup>1</sup>

A discussion followed in regards to the bylaws that were written by the Veterans Advisory Board never actually being approved.

**NEW BUSINESS**

The members discussed obtaining the old high school sign to be used by the board.

---

<sup>1</sup> Township Committee Secretary Hughes emailed Committeeman Hodson and Chairman Dodson in regards to this statement. It is not the responsibility of the Township Committee Secretary to create such letters. Discussion will be held at next meeting.

— **9/11 Remembrance**

Member Lundberg spoke to the Civil Air Patrol in regards to their attendance. They will get back to him.

Chairman Dodson contacted the Boys Scouts 177, they too will get back to the board.

Committeeman Hodson's lack of attendance to this meeting caused some complications with discussing plans. He was supposed to handle a few items that are critical. Members attempted to setup the program for 9/11 without knowing what Committeeman Hodson has done.

Member Lundberg will speak at 9/11 and will try to get more speakers. He will also contact the Sandpipers and knows that Mrs. Weiss will play Taps.
