

REQUEST FOR FINAL SEWER INSPECTION

Please Print or Type

Fax to: (609) 653-8882

Please give at least 72 hours notice

- The inspection shall be accomplished by the Authority Inspector prior to the Temporary Certificate of Occupancy or Certificate of Occupancy.
- Passed Inspection
 - If the property passes inspection, the Building Department and the property owner will be notified of the inspection results.
- Failed Inspection
 - If the property fails inspection, the Building Department, property owner and/or builder will be notified of the deficiencies.
 - Each additional inspection will cost \$75 and must be paid immediately.

It is the property owners' responsibility to ensure that the cleanout is restored to resemble the cleanout pictured in Exhibit B of the EHTMUA Rules & Regulations. (see reverse side for requirements/diagram)
