Direct Debit Payment Option

In an effort to make quarterly sewer service payments more convenient for our customers, the Egg Harbor Township Municipal Utilities Authority (EHTMUA) offers Direct Debit as a form of payment.

Those interested in utilizing Direct Debit must authorize the EHTMUA to electronically deduct the quarterly sewer service charge from their checking account.

In order to enroll in the Direct Debit program:

- Sewer service account must be current. Past due accounts cannot be paid with the Direct Debit payment option.
- Complete and sign the bottom portion of this form.
- Return this form, along with a voided check, to the EHTMUA office.
- Completed form and voided check must be received by the EHTMUA at least fifteen (15) business days prior to the quarterly due date.
