

## RIGID PLASTIC RECYCLING

Starting November 15, 2007, source separated rigid plastics are going to be accepted as recyclable material at the ACUA Recycling Center. A rigid plastic recycling drop-off bin will be located outside the Recycling Center for residents and businesses to place their rigid plastics. The following rigid plastics are accepted:

Plastic buckets (with metal handles)	Plastic shelving
Plastic milk & soda crates	Plastic dish drainers
Plastic laundry baskets	Plastic flower pots (no soil)
Plastic landscape trays (no soil)	Empty garbage & recycling cans
Plastic totes (with metal handles)	CDs & DVDs (and cases)
Plastic toys & playhouses	VHS tapes
Plastic pet carriers	PVC & PET blister packs
Plastic coolers	5 gallon water bottles
Plastic pallets	Plastic automotive bumpers

All loads of rigid plastics will be weighed at the Scale House and then will be directed to the Recycling Center drop-off bin for inspection and off loading. This program is free to all Towns/Municipalities except those who are not under contract with ACUA for Recycling Collection Services. Towns/Municipalities who are not under contract with ACUA for Recycling Collection Services will be charged a per ton fee for the Processing of Recyclables. Businesses, Schools, or Municipalities with large loads should call ahead to schedule an appointment for drop-off. For a list of unacceptable items, please refer to <http://www.acua.com/rigidplastics/>. For more information, please call the ACUA at (609) 272-6950.

Hours for drop-off:  
Monday - Friday: 8AM to 4PM  
Saturday: 8AM to 12 Noon
