

# **Youth Sports Coaching Clinic**

Egg Harbor Township Parks and Recreation will conduct youth sports coaching clinics using the American Sport Education Program Coaching Basics Video Series. The program will focus on the fundamentals needed to coach any youth sport successfully in these areas: responsibilities of being a coach, effective methods of teaching sport skills, how to send positive messages to athletes, and how to conduct a safe program.

The clinic will also include the CDC's Heads Up: Concussion in Youth Sports Training for Coaches course to help keep athletes safe from concussion. Coaches will receive the 2015 Heads Up Concussion Training Certificate of Completion.
