### **EGG HARBOR TOWNSHIP RECOGNIZED BY HOUSING AND COMMUNITY DEVELOPMENT COMMUNITY FOR OUTSTANDING MUNICIPAL PARTNER**

The Township of Egg Harbor was recognized by the Housing and Community Development Network of New Jersey, an organization who is a leading advocate for affordable housing development in State of New Jersey.

At their recent annual community development conference held in New Brunswick, New Jersey, the Township was recognized as an outstanding municipal partner for a revitalization project. The Township partnered with Homes for All by facilitating an expedited process for returning a foreclosed property into a viable home for the community. The Township was acknowledged for being proactive with developing and rehabilitating foreclosed properties to create affordable homes.

This is the second time in three years that the Township has been recognized by this organization for their work in creating affordable housing. In 2016, the Township was recognized for their work with the developer in converting the former Clarion Hotel into the Atrium Apartments and revitalizing an underutilized rental property.

Township Administrator Miller commented "The recognition by this organization, twice in three years, reflects the Township's commitment to meeting their affordable housing needs".
