Memorial Day 2014

Today we honor all of you,
Who served your country with pride,
You risked your life for all of us,
As you fought side by side.

Your strength and courage always showed,
No matter what the danger might be,
And you did all of this,
So that we could all be free.

Thank you all for what you've done,
And now we will all pray,
For each and every one of you,
on this Memorial Day.
